

WASHBASINS

Passion, Pleasure, Uniqueness

With a piece of nature and a timeless design

GRISSMANN

www.grissmanninterieur.ch

Passion

Our **Passion** represents the elegant design in a combination with natural wood and precise craftsmanship.

All of our **unique** washbasins are **handmade** with the respect for the environment and love for nature.

Delight

Our **enthusiasm**, passion for creating and experience working with wood have brought results that bring us **joy**.

That's why we're **convinced** that Grissmanninterieur washbasins will bring joy to **you** as well.

Uniqueness

The uniqueness **underlines** the elegance of our washbasins. We use only natural wood resources for our **production**. Every piece of our natural wood has its unique character and **wood** grain.

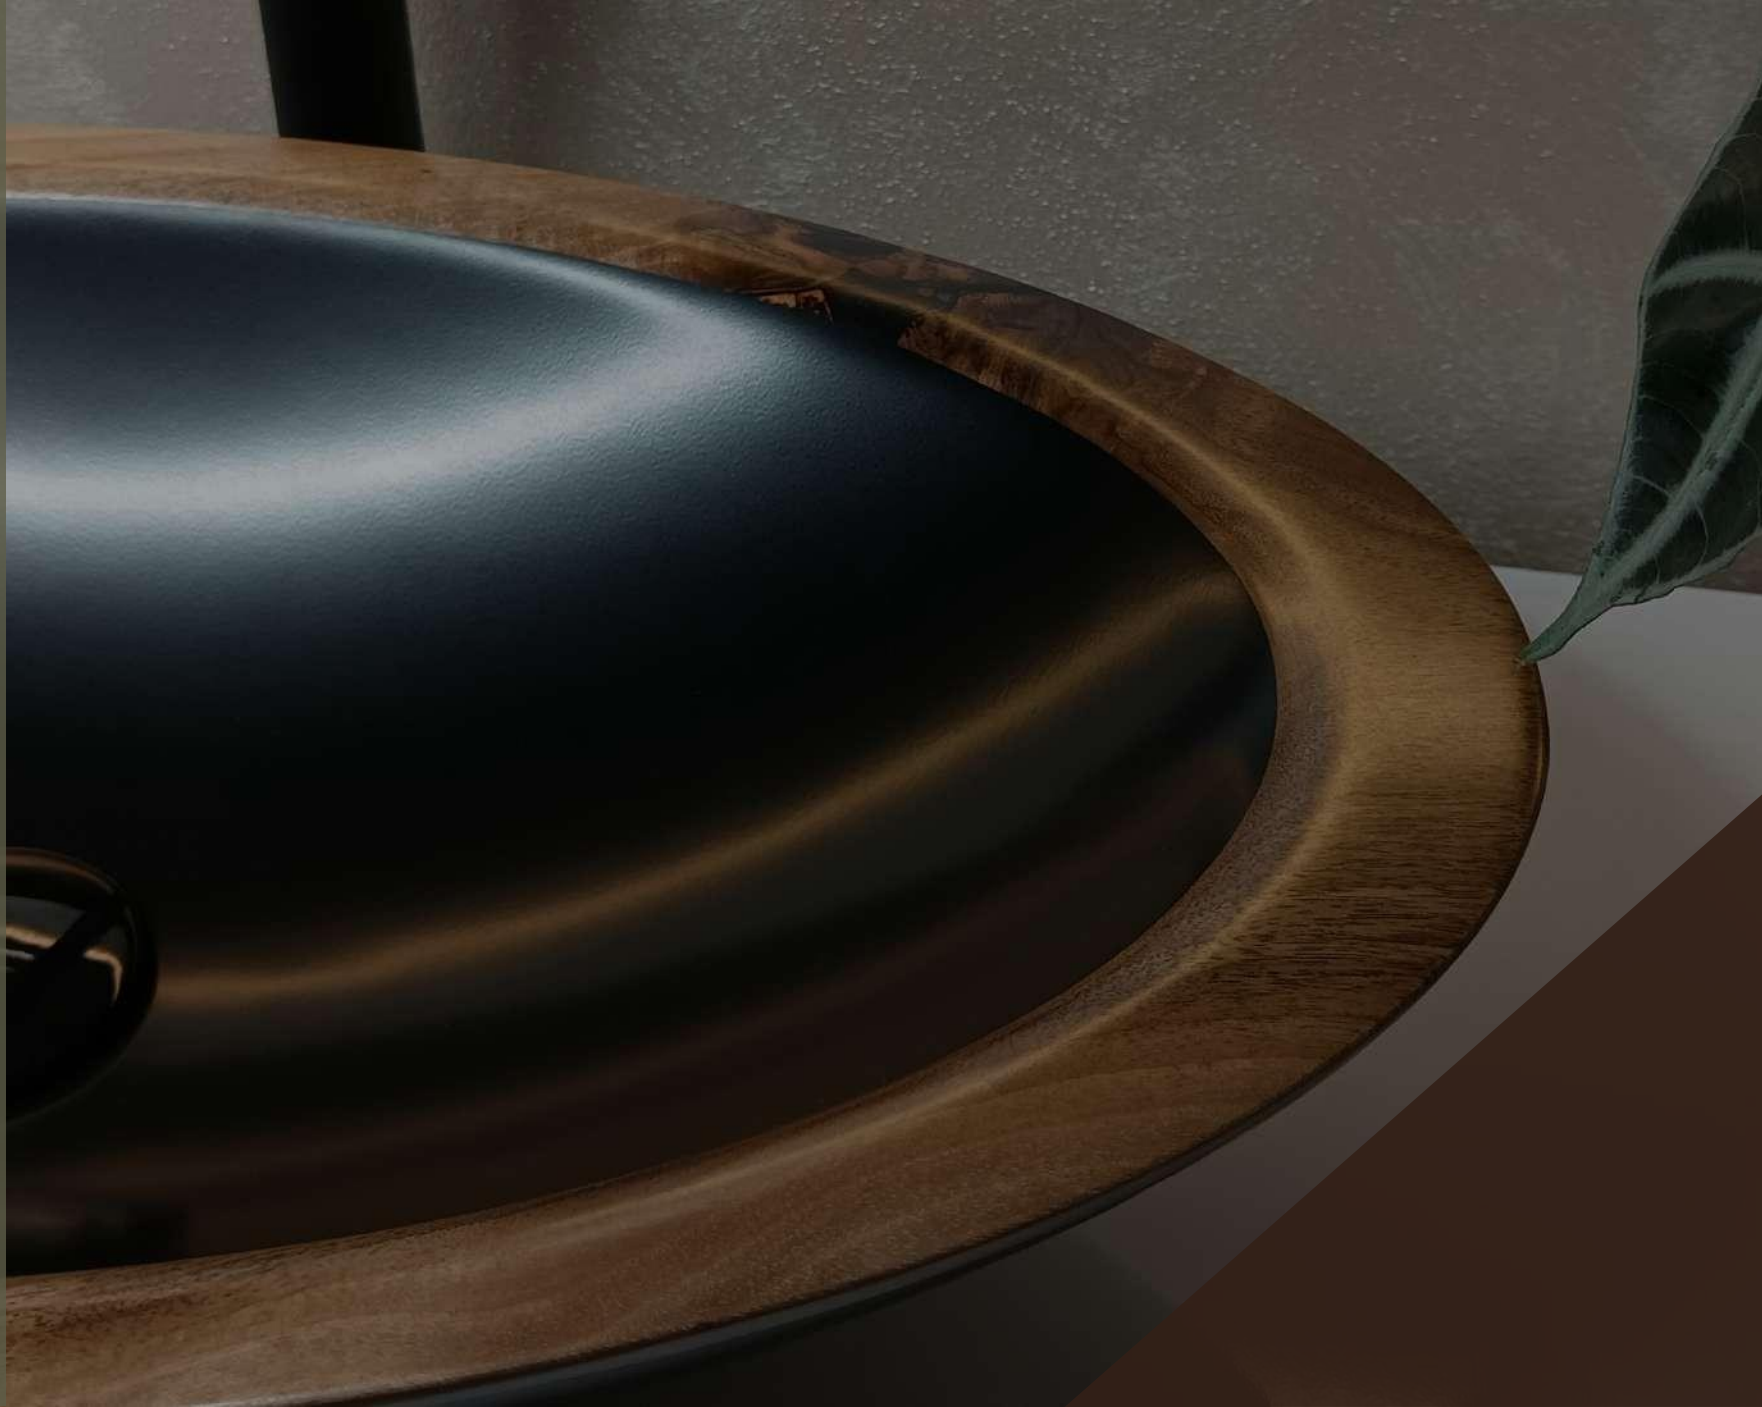

Because only the **nature** combined together with the precise craftsmanship can create the original and **timeless** works that will please even the most demanding clients.

EVERY
GRISSMANNINTERIEUR
WASHBASIN EXHIBITS
ELEGANCE, PRECISION
AND UNIQUENESS
INTERCONNECTED.

DO YOU ALSO LONG FOR
A LUXURIOUS
WASHBASIN WITH A
PIECE OF NATURE AND
A TIMELESS DESIGN IN
YOUR BATHROOM?

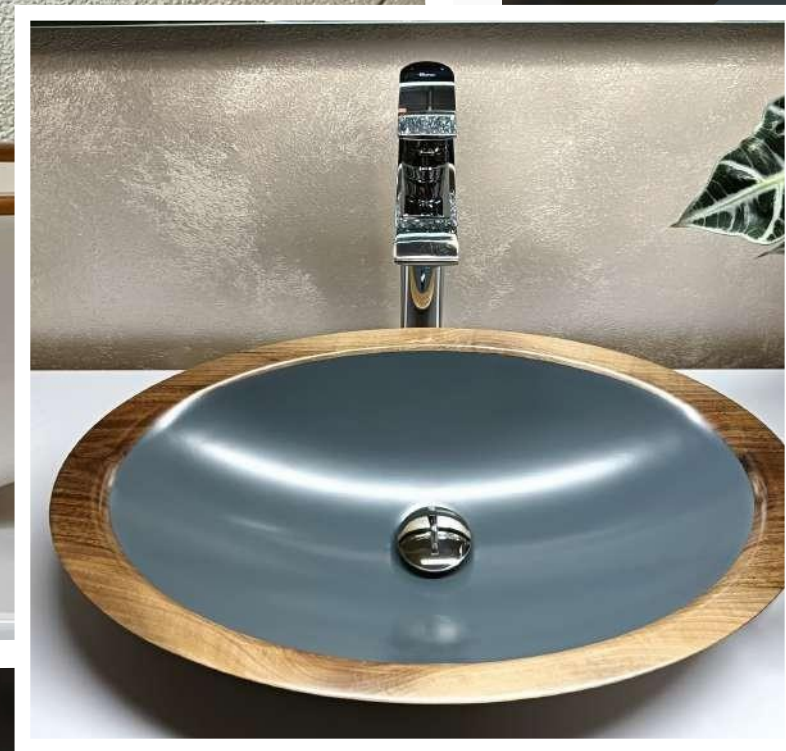

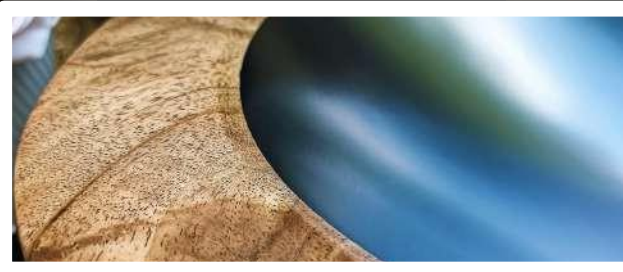

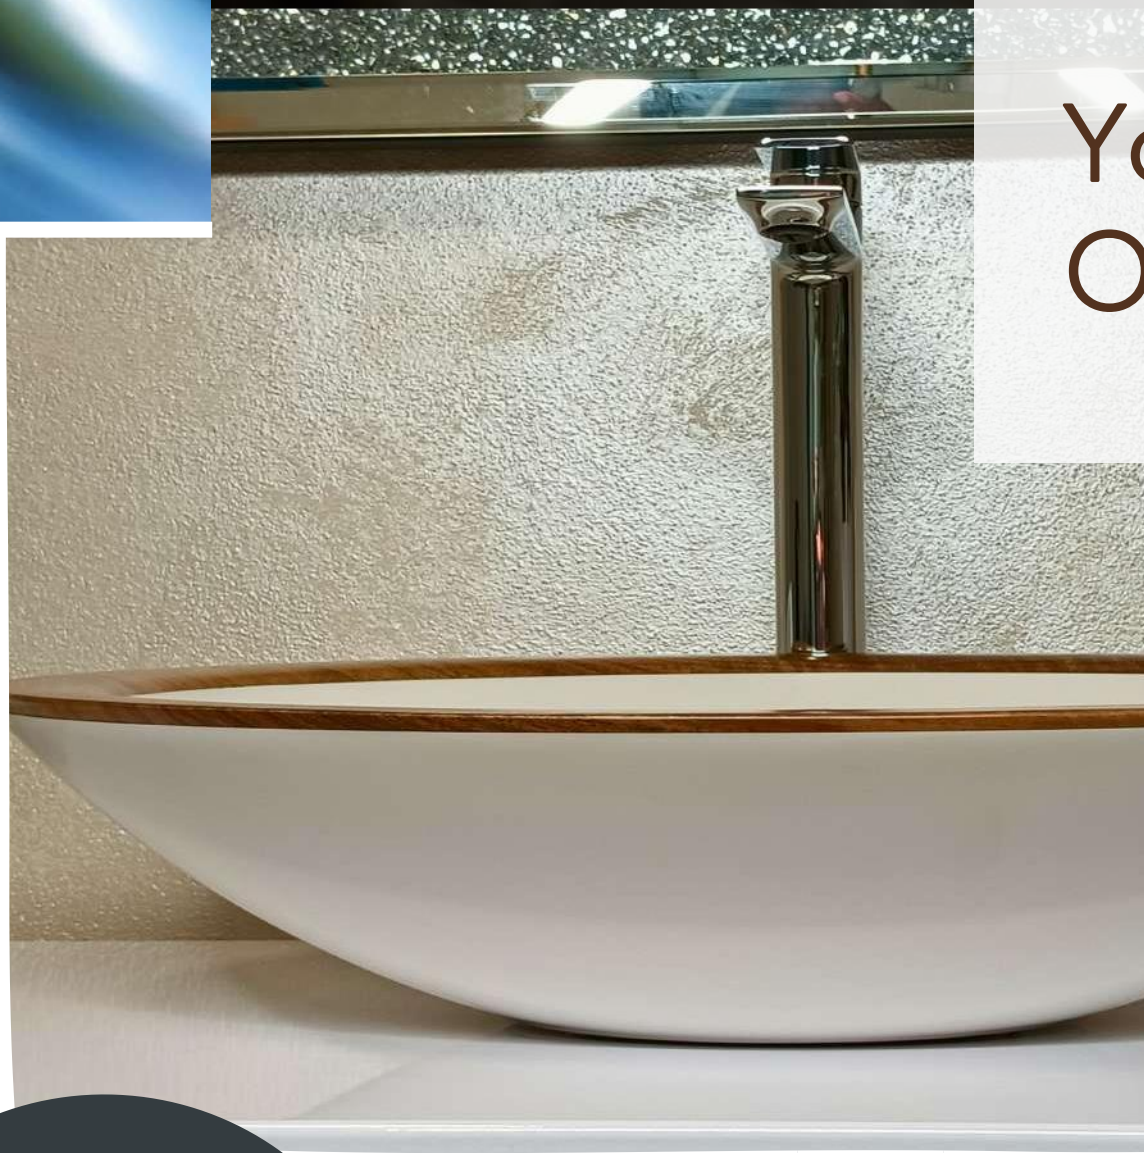

WHY GRISSMANN INTERIER

All of our washbasins are handmade with a love to nature. Grissmanninterieur offers the mineral cast washbasins in a combination with a different types of wood rims- the elegant walnut, the luxury oak, the decent elm or the unique cherry.

For our produktion we mainly use the locally sourced raw materials. According to the wishes of our customers, we can combine different types of wood with different colors of our mineral cast washbasins.

Your washbasin.
Our happiness.

EVERY ONE OF OUR WASHBASIN IS ORIGINAL

The use of **wood** in our sinks gives them a unique touch and **feel**. The color, the **structure** and the complexion of the wood are **extraordinary**.

CUSTOM MADE FOR THE DISCERNING

We are ready to **customize** for special order and deliver on your individual **needs** and **ideas**.

We are able to produce **custom** Made washbasins in any color **shade** and with any wood type.

Thanks to a wide range of finishing **options**, we can also customize the gloss of the sink's surface with these options: high **gloss**, **matte** or **satin**..

LONG LASTING

The production technology protects the entire surface, ensures color stability, resistance to water and products used in the bathroom.

ENVIROMENT FRIENDLY

We produce all our sinks in an ecological way with respect for the environment. All of our components used in the production are certified and from sustainable sources.
